FOR BABIES, TODDLERS & THEIR GROWN-UPS

A safe space for your little ones to play while you relax, have a cuppa and make friends.

Our weekly activities include craft, singing and story-telling. If your baby is still too young to join in with some of these activities then we have baby mats so your baby can still enjoy watching the older toddlers play.

We are here every Thursday during term time, 10am-11.30am

HELP RESTORE THE BELLS of ST MARY'S

Cast together as a set for the current church building in 1831, our eight bells have been a call to worship for nearly 200 years. They are a key part of our local heritage and are rung every Sunday, also for weddings and other special occasions. However, for this joyful practice to continue, a major overhaul of the bell mechanisms is urgently required.

The last major maintenance and refurbishment work on the bells was carried out 70 years ago. The fittings, which include the bearings, wheels, ropes and pulleys, degrade over time and now need to be replaced. The bells need to be removed from the tower, taken to a bell foundry for restoration and tuning, then returned and reinstated with their new fittings. The cost of this exercise is estimated at £80,000.

PLATINUM JUBILEE GARDEN PARTY

Saturday 4 June 11am-3.30pm in the Churchyard

If you look at the top of the flagpole above the tower, you will see a golden crown. This represents the strong connection between St Mary's and the Sovereign, 'who has long held the Manor of Hampton'.

You are invited to join us in the churchyard as we celebrate this long-standing connection by coming together as a community and raising a toast to Her Majesty to thank her for her 70 years of service.

Live Music, Traditional English Tea Tent, Barbecue, Bouncy Castle, Crypt Tours.
